## The Bill Count Climbs

With one month down and three to go (but who's counting), the KYR Quick Response Team is busy analyzing and discussing the legislation that affects the real estate industry in the Commonwealth. Through 19 legislative days, the QRT has voted to support 5 bills, oppose 2, and monitor 16.

On Tuesday, January 28th, Governor Beshear presented his first budget address to the General Assembly. The main focal points of the budget are education and teachers. As stated before, the General Assembly is constitutionally obligated to pass a two-year budget. Be prepared for the number of bills filed to increase now that the budget has been addressed.

Representatives from the Auctioneers, Appraisers, Home Inspectors, REALTORS, and Home Builders met last week for another informative Real Estate Industry Collaboration meeting. It was a productive time with much of the discussion centered around cross-education, insurance, and legislation. We look forward to continuing to strengthen our relationship with these great group of associations. Thanks to everyone that participated during last week's meeting!

Late Breaking News: Senate Resolution 122 was filed yesterday (Feb. 3<sup>rd</sup>) by Senator Gerald Neal of Jefferson Co. This SR is particularly important to our association because it honors Lester Sanders, President of Kentucky REALTORS®. The Resolution congratulates Lester upon being named the first African American President of our great association. Thank you, Lester, for all you do to make our association the best it can be!

Our annual Legislative Meeting begins next week! The important work of fostering relationships with our legislators is done with the help of dedicated individuals who show up to have their voices heard (and faces seen!). If you can make it out next week, please do so.
